

Emma Charlotte's Dance Academy

Welcome Information

Welcome to Emma Charlotte's Dance Academy. This welcome information will include details of lessons and an enrolment form that must be returned back to Emma. The academy launched in September 2015 and offers fresh, fun dance lessons with a high quality of teaching from ages 2 and a half up to adults. Classes are run on school term basis. Emma has trained with the IDTA since a young child and is qualified to teach in this syllabus. Alongside this she has also completed a BA (Hons) Dance degree which concentrated on performing and teaching. Emma holds valid teaching qualifications, CRB, insurance, music license, and is first aid trained (including defibrillator).

The dance academy will offer styles in Ballet, Contemporary, Freestyle, Street and Tap. Lessons will take place at Trades & Labour Club in Alcester, Batchley Community Centre, Cookhill Village Hall, Studley Parish Centre, and Oakenshaw Community Centre. Your child will be in a class with pupils a similar age. Classes will be half an hour each per subject at a cost of £3. Lessons can be paid on a weekly basis or as an upfront payment if you would prefer.

Children can wear clothes they are comfortable to dance in. E.g. joggers, leggings or fairy dresses for the younger children. However, if they would like to purchase the academy uniform please see Emma for details and collect a uniform order form or download it from our website and enclose payment in an envelope. Children will be expected to have the correct uniform if they would like to take examinations. Please do not feel obligated to buy the uniform straight away. Hair must also be tied back for all lessons.

As this is a brand new dance academy there are exciting plans for the next few years. Children can take examinations where they will be presented with an official IDTA medal and certificate. There will also be showcases and events where all children will be involved.

Finally, I would like to thank you for choosing Emma Charlotte's Dance Academy and I look forward to sharing my passion for dance with you all. Any enquiries or questions please do not hesitate to speak to me after lessons, email me or message me over our Facebook page: Emma Charlotte's Dance Academy.

Kind Regards,

Emma Charlotte
